AND

GRAVEL ROOFING.

Adobe House Protector.

This composition roofing is by far

the cheapest and most durable, entire-

ly fire-proof, less liable to blow off,

coolest in summer and warmest in

winter, easiest to repair, and least li-

able to get out of repair; requires no

painting or attention, and is especial-

ly adapted for adobe roofs, at an ex-

penditure less than one-half the cost of

tin, iron, or shingles. All work war-

anted for five years.
